**Why Attendance Matters**

- **15**: Minimum number of missed school days for a student to be considered chronically absent
- **1 in 7**: Students need attendance interventions
- **8M**: Chronically absent students in the 15-16 school year
- **28.6%**: Graduation rate for chronically absent students, compared to 70% for students who miss ten or fewer days of school per year
- **$20M**: Money lost by one school district due to chronic absenteeism each year
- **36**: States that have selected chronic absenteeism as an accountability indicator of quality under ESSA
